

Social Psychology PostDoc-Workshop

Cologne, Germany
September 28-30, 2022

PROGRAM

The biannual PostDoc Workshop of the Social Psychology Chapter of the German Psychological Association (DGPs) provides the opportunity to present your (past and) ongoing projects and to receive feedback from peers and experienced experts. There will also be workshops on multilevel modeling and grant applications, a panel discussion “ask the editor” (with Prof. Anne Gast, Prof. Andreas Glöckner, Prof. Joris Lammers, Prof. Christian Unkelbach), keynotes from expert teachers, and social activities.

WHO CAN ATTEND?

The workshop is open to all non-tenured post-doctoral researchers (including junior profs, assistant profs, and everyone holding a PhD at the time of the workshop) working on social psychological topics (i.e., psychologists but also scholars from related fields)

We are happy to announce the following experts attending:

- Prof. Colette van Laar
- Prof. Melody Manchi Chao
- Prof. Mario Gollwitzer
- Prof. Jörg Gross

INTERESTED IN ATTENDING?

Please submit an abstract (250 words max.) describing your project you would like to get feedback on via

PostDocWorkshop2022@gmail.com

until April 01, 2022.

For further information on the workshop, see our full call for submissions [here](#).
